RE: Letter of Interest - Seat "A" Humboldt County Hospital Board

Dear Commissioners,

Please accept this notice as an expression of my interest to serve as a member of the Hospital Board. I feel that I have the ability and skills to provide leadership regarding both the present and future health care needs of our ever expanding community.

I would provide input to my fellow board members and community based upon sound judgment and common sense regarding health care for our citizens, administrators and medical staff.

I am well aware of the ongoing issues between some of the medical professionals and hospital administration. Public perception of these issues is ever present and must be altered. As it stands today, a portion of our community continues to routinely schedule non-emergency "elective surgeries" out of town.

Quality health care plays such a vital roll for rural communities. You can have shopping, parks, golf courses - the best infrastructure money can buy, if you don't have quality, reliable, affordable health care, no one is going to stay in a community with that situation.

I feel that within the past 5 years, Humboldt General Hospital has taken great strides towards become one of the premier health care providers in Northern Nevada. The stellar performance of the EMS, surgical, radiology and nursing departments, the new Medical Office Building expansion – are all examples of continuing positive growth and a window to the exciting future of our hospital.

I would appreciate your consideration in my interest as a prospective member of the board.

Regards and best wishes,

Ed Hopfer

Letter of Interest: Humboldt County Hospital Board of Trustees Seat "A"

Dear Commissioners,

My name is Stephen Quilici. I would like to introduce myself as a citizen of Humboldt County. I am interested in serving on the Hospital Board. I am sure that I can offer myself as a positive change to the board. I am 30 years old, I have lived my entire life here in Winnemucca. My parents, brother, grandparents and other extended family live here in Humboldt County also.

I own and operate a successful small business here in Winnemucca. I started my business, Creative Landscaping; in June of 2000. I have grown my business steadily and responsibly over the last 10 years. I feel that my experience in business combined with my desire to stay here and grow in Winnemucca are assets I can bring to benefit the community through my public service.

I am interested in being part of creating an ever improving hospital for my family, myself and all of Humboldt County. I was a candidate for seat "E" in the recent election. I received 48% of the vote from Humboldt County. I am confident that my appointment to the board will be well received by the citizens of Humboldt County.

Sincerely,
Stephen Quilici.
