**INTERVIEW OF WITNESS AND CERTIFICATION**

Interview with Jerry C. Whitehead, witness in Request for Opinion 08-37C, conducted at 6121 Lakeside Drive, Reno, NV 895 11.

Friday, August 22, 2008 at 3:00 p.m.

**Michel Vavra, (Vavra)**, Investigator for the Nevada Commission on Ethics.

**Jerry Carr Whitehead, (Whitehead)**, Witness.

Vavra requested permission from Whitehead to record interview, Whitehead agreed.

1 **Vavra:** Can you describe your relationship to Jim Gibbons? How long do you know him?

2 **Whitehead:** I guess, I would say the relationship was very casual. I have met him when I was  
3 campaigning, I have been in 2 houses during campaigns where he was present, and I spent an  
4 afternoon showing him some property. There may have been other occasions I've talk to him,  
5 but I don't recall it at this time.

1 **Vavra:** Do you know approximately...how long you know him?  
2 **Whitehead:** Well, I guess I am struggling a little bit with what the phrase knowing means.  
3 **Vavra:** Ok, what was the first time you met with him?  
4 **Whitehead:** I don't know.  
5 **Vavra:** Ok.  
6 **Whitehead:** He's been a Congressman for number of years, and he's campaigning. I've met him  
7 at a couple of those campaigns, but if I try to be more specific, I may not be giving an accurate  
8 answer.  
9 **Vavra:** Ok, that's fine. Explain how you come to sell property to Jim Gibbons.  
10 **Whitehead:** He called up and ask if I would sell a portion of the ranch.  
11 **Vavra:** Ok. Can you describe the transaction? What happened?  
12 **Whitehead:** He placed a call to me and I talked to him and...I (unintelligible) some reluctance to  
13 do so, but I said I would see if there is a parcel that would make a sense for me and for him. I  
14 was not advertising and I did not have any...anything for sale.  
15 **Vavra:** How did you determine the sale price?  
16 **Whitehead:** I quoted it and he accept it.  
17 **Vavra:** Did you discuss any exemption, agricultural exemption...did you discuss anything like  
18 that with Jim Gibbons?  
19 **Whitehead:** We didn't...certainly not during the sale process. We may have at some time, but  
20 my recollection is this conversation took place with John Marvel...and quite frankly, I am  
21 certain whether it was with John Marvel or with the Governor.  
22 **Vavra:** Ok. Can you describe your relationship to attorney John E. Marvel?  
23 **Whitehead:** He's been a friend for number of years...I know him socially through sport activity,  
24 I've had dinner with him, and he's represented me on several prior matters to the sale...and this  
25 taken place over number of years, perhaps as many as 15, I am not sure.  
26 **Vavra:** Do you know how Jim Gibbons come to retain John Marvel?  
27 **Whitehead:** Yes.  
28 **Vavra:** And...how would that be?  
29 **Whitehead:** He was my attorney and he was doing it, and I think that Governor indicated that it  
30 will be perfectly ok with him for John to represent both sides of the transaction. To the best of  
31 my knowledge, they were not (unintelligible) ever.  
32 **Vavra:** Do you know what was the classification of the land before the sale to Jim Gibbons?

1 **Whitehead:** Agricultural use.

2 **Vavra:** Are you currently leasing the property to Jim Gibbons? For what purpose?

3 **Whitehead:** I am sorry, sometimes I have difficulty hearing.

4 **Vavra:** Are you currently leasing the property to Jim Gibbons?

5 **Whitehead:** Yes.

6 **Vavra:** For what purpose?

7 **Whitehead:** Agricultural use.

8 **Vavra:** Is there a written agreement for the lease?

9 **Whitehead:** Yes.

10 **Vavra:** What kind of animals are grazing on Jim Gibbons land?

11 **Whitehead:** Cattle...cows, calves and bulls.

12 **Vavra:** How many in total do you own?...speaking of animals...and I am not looking for exact

13 number.

14 **Whitehead:** And...I can't give you exact number but I can...they came and they go...we buy

15 them, we sell them, they die...but if you just talking in round figure...

16 **Vavra:** Round figure.

17 **Whitehead:** This year it may be something like 500 mother cows, their calves, 30 bulls...they have

18 been summers where we had 1,000. We had steers on...the number is not precise for any year.

19 **Vavra:** I was not looking for for exact number. How do you calculate the fee you pay to Jim

20 Gibbons for grazing, what formula did you use?

21 **Whitehead:** I didn't. I just quoted the price I've be willing to pay and...and he accepted it. And

22 again, I believe when I say I quoted the price, I believe quoted that price to John Marvel. But

23 once again, I am not certain whether...

24 **Vavra:** That's just fine. Ok. Is there anything I didn't ask you would like to add?

25 **Whitehead:** Well, I have obviously read the things in a paper; I don't want to bore you with

26 things you are not interested in...

27 **Vavra:** I am interested in anything...anything you have to say.

28 **Whitehead:** I don't care whether I say anything or not, if I can help people in any way, I would

29 try to do so.I...for example...I read in newspaper that the appraiser said that some of his people

30 were out and there weren't cattle on the property...so, he questioned whether is it for agricultural

31 use. And....can you tell me how much you know about grazing and agricultural use?
