1. Call to Order, Roll Call, and Pledge of Allegiance to the Flag.

Chair Cheryl A. Lau, Esq. called the meeting to order in Carson City, Nevada at 9:13 a.m. Also present in Carson City was Commissioner Barbara J. Gruenewald, Esq. Present in Las Vegas, Nevada were Vice-Chair Keith A. Weaver, Esq. and Commissioners Magdalena Groover, and Dan H. Stewart. Present for Commission Staff in Carson City were Executive Director, Yvonne M. Nevarez-Goodson, Esq., Commission Counsel, Tracy L. Chase, Esq., Associate Counsel, Judy A. Prutzman, Esq. and Executive Assistant, Valerie M. Carter, CPM.

Commissioner John C. Carpenter was excused from this meeting.

The pledge of allegiance was conducted.

2. Public Comment.

No public comment.

3. Approval of Minutes of the June 15, 2016 Commission Meeting.

Commissioner Stewart moved to approve the Minutes of the June 15, 2016 Commission Meeting. Commissioner Gruenewald seconded the Motion. The Motion was put to a vote and carried unanimously.

Executive Director Yvonne M. Nevarez-Goodson, Esq. clarified the reason for two separate Agenda's for the August 17th Commission meetings and that the approval of the Minutes related to the Commission's regular meeting on June 15, 2016 and not its separate meeting relating to the temporary regulations. She explained the Open Meeting Law required that the agenda related to the Temporary Regulations be posted 30 days prior to the public hearing, and the regular Commission meeting Agendas was not ready for posting that far in advance.

4. Authorization for the Executive Director to respond to alleged violations of NRS 281A.500 regarding requirements for filing Acknowledgement of Statutory Ethical Standards forms with a compliance letter instead of investigation.

Executive Director Yvonne M. Nevarez-Goodson, Esq. introduced this agenda item and provided an overview of the request. She explained that the Commission has previously received Complaints regarding non-compliance with NRS 281A.500, which requires public officers to file the "Nevada Acknowledgment of Ethical Standards for Public Officials" form with the Commission office within certain timeframes. She explained that when this type of complaint is received, staff currently proceeds with full force, noticing the subject, allowing for a response and continuing the lengthy investigative process.

Director Nevarez-Goodson requested that the Commission authorize the Executive Director to instead issue a demand letter for compliance to educate the subject of the filing requirement. She opined that issuing a compliance letter would be more efficient and address the lack of education and knowledge regarding the filing requirement, rather than finding a violation. Director Nevarez-Goodson recommended that the letter demand compliance within 30 days, and if the form is not then timely filed, the Commission can determine whether to initiate a complaint against that particular public officer.

A brief discussion ensued regarding the requirements of NRS 281A.500 and the proposed process.

Commissioner Groover moved to authorize the Executive Director to issue compliance letters regarding alleged violations of NRS 281A.500. Commissioner Gruenewald seconded the Motion. The motion was put to a vote and carried unanimously.

5. Report by Executive Director on agency status and operations

Executive Director Yvonne Nevarez-Goodson, Esq. provided an update regarding Commissioner appointments, reporting that two vacancies remain, one each by the Governor and the Legislative Commission, with the recent resignation of Commissioner Schneider. Director Nevarez-Goodson stated that these vacancies cause issues with respect to quorums for meeting and hearings and that she has notified the Director of the Legislative Counsel Bureau (LCB) regarding the same.

Director Nevarez-Goodson reported that the Commission's BDR package has been sent to LCB for drafting and hopes it will be pre-filed before the December Commission meeting. She plans to work with LCB to draft those provisions consistent with the the Commission's intent.

Director Nevarez-Goodson discussed the Commission's current pending Request for Opinion (RFO) log, stating she was happy to report there is currently no backlog of Opinions. She reminded the Commissioners that holding bi-monthly meetings had significantly assisted in allowing staff to get Opinions and Orders issued in a timely manner.

Director Nevarez-Goodson reported that several Third-Party RFOs will be heard for settlement at the Commission's next meeting in October.

Director Nevarez-Goodson provided an update regarding the Commission's outreach and education program, stating that outreach and requests for training had decreased over the last quarter, primarily because the Commission staff has been processing cases and preparing the FY18-FY19 Biennial Budget Request. She expects that the staff will be doing more significant outreach in the next quarter.

Director Nevarez-Goodson discussed upcoming Commission meetings and her hope to continue holding meetings every other month. She expects the next meetings will be on October 19, 2016 and another in early December, with the exact date to be determined once all Commissioners have confirmed their availability. Director Nevarez-Goodson requested that Commissioners keep the proposed September and November meeting dates clear on their calendars, in the event a telephonic meeting is necessary.

Director Nevarez-Goodson reported that she had hoped to roll out the new Commissioner tablets at this meeting, but because the Commission is not in one location, and because she is still finalizing policy documents regarding tablet use, she will instead be meeting with each Commissioner independently to provide training and set-up information.

Commissioner Groover requested clarification regarding the amount of time it is taking to resolve cases, according to the RFO log.

Commission Counsel Tracy L. Chase, Esq. explained that the RFO log only shows an overview of the current status. She explained that statutorily, First-Party Requests for Opinion must be heard within 45 days and the requester receives a verbal opinion from the Commission within that timeframe, unless waived. Counsel Chase explained that the written opinion is then prepared within 30 to 60 days of the hearing, barring any request for re-hearing or re-consideration.

Director Nevarez-Goodson discussed the RFO log as it relates to Third-Party RFOs, and explained that the staff's investigation is not preventing cases from timely resolution. Rather, the procedural issues in the cases cause significant delays. Director Nevarez-Goodson explained the procedural process relating to Third-Party RFOs including the jurisdictional review period, requests for extensions to respond by Subject's attorneys, and other procedural items like Motions that cause cases to take several months to resolve. Director Nevarez-Goodson stated that she feels very confident that none of the perceived delays are attributed to the Commission staff or ability to conduct and conclude any investigations in a timely manner. Commissioner Groover and Executive Director Nevarez-Goodson agreed that the term "pending investigation" on the RFO log is misleading. A brief discussion ensued regarding the specific status of certain RFOs.

7. Presentation on and direction for publication of FY16 Annual Report prepared by the Executive Director pursuant to NAC 281A.180(2).

This agenda item was called out of order.

Executive Director Yvonne M. Nevarez-Goodson, Esq. presented the draft FY16 Annual Report. (See Exhibit A)

A brief discussion ensued regarding the number of calls and emails staff responds to throughout a given fiscal year and whether those items are tracked by staff. Commissioner Stewart asked that the statistics regarding calls/emails be included in the FY16 Annual Report.

Vice-Chair Weaver moved that the Executive Director finalize and publish the FY16 Annual report as discussed. Commissioner Stewart seconded the Motion. The Motion was put to a vote and carried unanimously.

6. Presentation of Commission Budget Request for FY18-FY19 biennium by Executive Director and direction to Executive Director to submit the Budget Request on behalf of Commission in consultation with the Chair for any further amendments/decisions consistent with the Commission's approved budget concepts.

Executive Director Nevarez-Goodson reported that Staff is continuing to work diligently to prepare the Commission's FY18-FY19 Biennial Budget Request.

Director Nevarez-Goodson reported that in addition to preparing a budget that does not exceed two-times the Commission's FY17 Legislatively approved budget, a 5% general fund reduction also had to be accounted for. She reported that although the Budget Request is not yet final, she does not expect any significant changes to the Commission's current operating budget. However, she reminded the Commission that there could be potential changes to the budget during the next legislative session, depending on what bills are passed and how they affect the Commission.

Director Nevarez-Goodson explained how the Commission is funded by a split between the local governments and the State, based on the jurisdiction of the RFOs the Commission receives over the two prior fiscal years. She stated her belief that this current methodology is flawed, as the number of RFOs filed is not indicative of the Commission's overall work, nor does the Commission control the types of requests it receives. Director Nevarez-Goodson stated she believes a more useful and reasonable methodology would be based on the overall jurisdiction of the Commission – the number of State employees and public officers versus local government employees and public officers. She reported that, based on feedback she had received from the Budget Office, she plans to include this new methodology as a separate decision unit in the Commission's Budget Request, which would allow for more consistent and reasonable accounting for the State and Local Governments.

Director Nevarez-Goodson reported that the salary enhancement requests for certain staff, as directed and authorized by the commission, were denied at the executive budget level so those enhancements will not be part of the agency's Budget Request. However, she reported that the Budget office welcomed a Compensation Adjustment Plan, which provided an opportunity to discuss how the Commission's staff is not compensated appropriately as compared to similar positions in other agencies. Director Nevarez-Goodson reported that document has been submitted to the Budget Office and will be reviewed during the "Governor recommends" phase, but will be separate from the agency's Budget Request.

Director Nevarez-Goodson requested that, if the Commission is comfortable with requesting essentially the same budget as last Legislative Session, the Commission provide the Executive Director authority to work directly with Chair Lau with respect to final numbers and/or amendments consistent with what she had presented under this agenda item.

Vice-Chair Weaver moved to authorize the Executive Director to work with the Chair in the finalization of the FY18-FY19 Budget Request. Commissioner Gruenewald seconded the Motion. The Motion was put to a vote and carried unanimously.

8. Election of Commission Chair and Vice Chair for Fiscal Year 2016-17, pursuant to NAC 281A.150.

Commissioner Grunewald moved that Chair Lau and Vice-Chair Weaver continue in their respective leadership roles as Chair and Vice-Chair. Commissioner Groover seconded the Motion. The Motion was put to a vote and carried unanimously.

9. Commissioner Comment on matters including, without limitation, future agenda items, upcoming meeting dates and meeting procedures.

No Commissioner comments.

10. Open Session for Public Comment.

No public comment.

11. Adjournment.

Commissioner Grunewald moved to adjourn the meeting. Commissioner Groover seconded the Motion. The Motion was put to a vote and carried unanimously. The meeting adjourned at 10:16 a.m.

ANNUAL REPORT TO THE COMMISSION ON ETHICS REGARDING FISCAL YEAR 2016

Pursuant to Nevada Administrative Code 281A.180(2), the Executive Director provides an annual report to the Commission on Ethics (“Commission”) regarding the fiscal, legislative, regulatory and other business undertaken by and on behalf of the Commission in the past fiscal year and the goals for new fiscal year. This Report recognizes the Commission's business, activities and accomplishments between July 1, 2015 and June 30, 2016. The Annual Report further contains various statistical information related to the Commission’s work and performance.

The information contained herein is based upon public records of the Commission which are available upon request for review at the Commission’s office during business hours. Additionally, the Commission maintains a public website at ethics.nv.gov on which the public may search the Commission's database of opinions, review minutes and agendas, find instructions and forms for filing requests for the Commission's opinion and access other public information. The Commission also posts its agendas on the Nevada Public Notice statewide website at notice.nv.gov.

July 1, 2016

Commissioners:

As required by Nevada Administrative Code 281A.180(2), submitted for your consideration is this Annual Report of the fiscal, legislative, regulatory and other business undertaken by and on behalf of the Commission during the past fiscal year (“FY16”) and the Commission’s goals for the new fiscal year.

The Commission successfully navigated and adapted to various changes in the this last fiscal year, including changes to the Commission’s personnel, case and hearing processes and overall efforts to provide outreach and education to Nevada’s public officers and employees. Under the continued leadership and experience of Chair Cheryl Lau, Esq. and Vice-Chair Keith Weaver, Esq., the Commission decided multiple precedent-setting cases, confronted constitutional considerations and streamlined and formalized various procedures to ensure more efficient meetings and case management. Together with the Chair and Vice-Chair, Commissioners John Carpenter, Magdalena Groover, and James Shaw continued to foster an environment rich in cooperation and diverse perspectives in establishing policy for the Commission, deciding cases and supporting staff efforts and initiatives for effective reforms. The Commission also welcomed two newly appointed Commissioners to its team, Barbara Gruenewald, Esq. and Dan Stewart.

On the last day of FY16, Commissioner Jim Shaw completed his second consecutive 4-year term as a member of the Commission. The Commission commends Commissioner Shaw for his dedicated service to the Commission and the people of the State of Nevada, in particular, his contribution and experience as a former public officer and employee in Washoe County, Nevada and his decades-long career as a Nevada educator. Looking forward into the next fiscal year, the Commission will again be confronted with personnel changes. The Commission has two outstanding commissioner vacancies to be filled, one each by the Governor and Legislative Commission.

Under the direction and leadership of the Executive Director Yvonne M. Nevarez-Goodson, Esq. and Commission Counsel Tracy L. Chase, Esq., the Commission and its staff have effectively carried out the Commission’s mission of outreach and education regarding the Ethics in Government Law to Nevada’s state and local government officers and employees. Also serving the Commission during the past fiscal year and providing unsurpassed public service were the Commission’s Executive Assistant, Valerie Carter,

CPM, Senior Legal Researcher, Darci Hayden, PP, Senior Investigator, Anthony Freiberg, and the newest member of the staff, Associate Counsel Judy Prutzman, Esq.

In addition to the personnel-related matters, the Commission achieved important success in efficiently resolving cases before the Commission to prevent a backlog of written opinions and refocused its efforts at outreach and education. The Commission also cleared the path in FY16 for modernization with new technologies; the Commissioners will receive government-issued tablets for the transaction of Commission business and secure communications with staff through email and secured websites, and the Commission will launch its new Website in the next fiscal year. This Report will highlight those achievements and continued goals for the next fiscal year.

It is with pride and optimism that I present this report highlighting our past accomplishments and promoting our future efforts. As you review the information in this Annual Report, I hope you will be as proud as I am about the Commission's successes and efforts to accomplish meaningful reforms in the upcoming year. Thank you for the opportunity to serve the Commission, its staff and the public for these last 7 years. I look forward to continuing in this important role to implement the Commission's goals for the next fiscal year.

Sincerely,

Yvonne M. Nevarez-Goodson, Esq.
Executive Director

I. Background/Requests for Opinion

Nevada Commission on Ethics - Ethics in Government Law:

The Nevada Commission on Ethics is an independent public body appointed equally by the Governor and Legislative Commission to enforce and interpret the provisions of Nevada's Ethics in Government Law, NRS Chapter 281A ("Ethics Law"). The Ethics Law preserves the public's trust in government and ensures that public officers and employees avoid conflicts between their private interests and the interests of the public. The Ethics Law sets forth various standards of conduct to guide public officers and employees to avoid such conflicts.

The Commission's primary mission includes providing outreach and education to Nevada's public officers, employees and attorneys regarding the provisions of the Ethics Law and conflicts of interest. Encompassed in its educational efforts, the Commission provides advisory opinions to public officers and employees regarding their own circumstances ("First-Party Requests for Advisory Opinion") and investigates and opines on conduct of public officers and employees alleged to be in violation of the Ethics Law ("Third-Party Requests for Opinion"), hereafter collectively referred to as "Requests for Opinion" or "RFOs".

Requests for Opinion:

The Commission responds to First-Party and Third-Party RFOs during its scheduled public meetings and confidential hearings. The Commission's mission to provide outreach and education is consistent with its responsiveness to requests for advisory opinions and efforts to prevent third-party complaints.

Over the last 5-year period ending June 30, 2016, the Commission received an annual average of 72 Third-Party RFOs. However, the Commission only accepted jurisdiction, investigated and adjudicated an annual average of 16 Third-Party RFOs.

The Commission received an average of 16 First-Party RFOs in which it held hearings and issued advisory opinions.

Historic RFO Volume and Outcomes:

<u>Fiscal Year/Dates</u>	<u>Total 1st Party RFOs Rec'd</u>	<u>Total 3rd Party RFOs Rec'd</u>	<u>REJECTED 3rd Pty</u>	<u>ACCEPTED 3rd Pty</u>
FY12: 7/11-6/12	31	72	58	14
FY13: 7/12-6/13	12	79	59	20
FY14: 7/13-6/14	13	70	50	20
FY15: 7/14-6/15	6	60	43	17
FY16: 7/15-6/16	16	77	68	9
AVERAGE	16	72	56	16

Of the Third-Party RFOs which the NCOE accepted jurisdiction:

<u>Fiscal Year/Dates</u>	<u>Investigated</u>	<u>Panel Dismissed</u>	<u>Panel Waived/ Forwarded to Hearing</u>	<u>3rd Pty to Hearings</u>	<u>3rd Pty Stips./Orders</u>
FY12: 7/11-6/12	14	7	7	6	1
FY13: 7/12-6/13	20	11	9	0	9
FY14: 7/13-6/14	21 ¹	4	15	0	15
FY15: 7/14-6/15	17	6	11	1	10
FY16: 7/15-6/16	9 ²	N/A	N/A	N/A	N/A
AVERAGE	16	7	11	2	9

The Commission experienced a notable decrease in the number of Third-Party RFOs accepted/investigated during this fiscal year as compared to prior years. The Commission does not control the number of Third-Party RFOs that may be filed in any particular year. It is anticipated that most, if not all, Third-Party RFOs the Commission considers from this fiscal year will result in stipulated resolutions. This denotes the nature of alleged violations of the Ethics Law and the role of the Executive Director and Associate Counsel along with the Subjects' counsel to resolve matters in a timely fashion and mitigate the strain on Commission resources.

¹ All RFOs accepted in FY 14 have been resolved except for 2 which are presently the subject of litigation before the Supreme Court of the State of Nevada.

² As of the date of this Annual Report, 6 out of the 9 RFOs investigated in FY16 remain pending resolution, 3 were dismissed by the Investigatory Panel. Of the remaining 6 RFOs: 1 is pending a Hearing during the Commission's October 2016 Meeting; 5 continue to be investigated.

Jurisdictional Appeals:

The regulations set forth in NAC Chapter 281A require the Executive Director and Commission Counsel to review each Third-Party Request for Opinion and make a determination whether the Commission has jurisdiction to investigate the matter based upon confirmation of the Subject as a public officer or employee, alleged conduct within the scope of NRS 281A, and credible evidence in support of the allegations. In 2014, the Commission adopted procedural regulations to authorize administrative appeals of staff’s jurisdictional determinations to the Commission; the Requester may appeal staff’s denial of jurisdiction and the Subject may appeal staff’s determination to accept jurisdiction.

The Commission has experienced a significant number of jurisdictional appeals during the last two years. The Commission must notify the Requester and Subject of staff’s jurisdictional determination and provide an opportunity for appeal and various responses, as applicable. This process has proven cumbersome and costly for the Commission. The Commission has reevaluated its processes and determined that it may eliminate certain procedures and review jurisdiction as a matter of law without depriving a Subject of appropriate due process. The Commission will continue to provide administrative appeal rights while streamlining the process in the next fiscal year, but the statistics below highlight the number of jurisdictional appeals processed during the last two years.

<u>Fiscal Year /Dates</u>	<u>Total 3rd Party RFOs Rec'd</u>	<u>Total Jurisdictional Appeals</u>	<u>Jurisdictional Appeals by Subject (Upheld/Overturned)</u>	<u>Jurisdictional Appeals by Requester (Upheld/Overturned)</u>
FY15: 7/14-6/15	60	9	1 Total (Upheld) Jurisdiction Confirmed	8 Total 2- Overturned (Jurisdiction Granted) 6 - Upheld (Jurisdiction Denied)
FY16: 7/15-6/16	68	18	1 Total (Upheld) Jurisdiction Confirmed	17 Total 1- Overturned (Jurisdiction Granted) 16 - Upheld (Jurisdiction Denied)

Commission Opinions:

The Commission did not experience a significant backlog of written opinions during FY16. The Commission complied on average with its goal for budgetary performance measures to complete all written opinions within 60 days of the related hearings. Many changes have contributed to the Commission’s ability to satisfy this

objective, including the dedicated efforts of a full-time staff, decreased case load, the Commission’s outreach and education efforts, and fewer Commission meetings. Specific cases that took longer than 60 days to issue a written opinion resulted from a 3-month vacancy in the Associate Counsel position during this fiscal year.

Sanctions Imposed:

In FY16, the Commission imposed \$6,000 in civil penalties for willful violations of the Ethics in Government Law. Pursuant to State law, the Commission collects and deposits all funds received from the imposition of sanctions into the State General Fund. Subjects who do not pay the civil sanction are reported to the State Controller for collection.

FY 2016 Sanctions Imposed or Received	Statute(s) violated	Civil Penalty
Paul Murphy, Member, Board of Directors, Fernley Swimming Pool District	NRS 281A.020(1) and NRS 281A.420(1)(3) and NRS 281A.500,	\$500
Mike Lemich, Commissioner, White Pine County	NRS 281A.020(1) and NRS 281A.420(1)(3)	\$500
Shirley Matson, Former Assessor, Nye County	NRS 281A.020(1) and NRS 281A.400(1)(2)(7)(9)	\$5,000

II. Fiscal Matters

Commission Budget:

FY16 established the base budget for budget planning in the next biennium. For budget planning purposes, the Commission accurately projected actual and necessary expenses and spent the majority of its operating budget in the base year. It is expected that these expenditures will support the same level of funding in the Commission's next biennial budget. The Commission's legislatively approved budget for FY16 was \$839,480 including personnel (salaries/benefits), travel, operating expenses, court reporting, information technology equipment and services and other State-related cost allocations and assessments. The legislatively approved budget for FY16 eliminated all State-mandated employee furloughs and incorporated a 1 percent cost-of-living increase.

Other than personnel and operating costs, the Commission's primary efforts to provide outreach and education regarding the Ethics in Government Law and respond to requests for opinions establish the largest fiscal impacts on the Commission's budget. On average, the Commission met in person as a body in either Las Vegas or Carson City every other month and engaged in various other meetings via video-teleconference and/or teleconference. Commission staff has travelled throughout Nevada, and primarily to Las Vegas, Nevada, to attend meetings, provided outreach and education and conduct investigations of Third-Party RFOs.

In FY 16, the Commission had sufficient cost savings in its budget to provide for the necessary construction for its leased office building to accommodate fiber optic cables to update its technology resources, including more efficient delivery of Internet and email services. The Commission's current technology is significantly outdated, frustrating staff efficiencies and is no longer supported by the State division of Enterprise Information Technology Services.

Furthermore, the cost-savings allowed the Commission to acquire tablet laptops for the Commissioners to streamline and modernize the delivery of Commission materials and documents, increase security of confidential information and ensure significant cost

savings, including staff time and printing and mailing costs for the voluminous materials provided to the Commissioners each month.

The Commission spent the last quarter of FY 16 and continuing into the current fiscal year to develop its next biennial Commission budget for FY18-FY19. The State has mandated that all State agency budgets for the next biennium not exceed the existing budget's legislatively approved appropriation. Agencies are also required to present a budget with a five percent reduction. The Commission again directed the Executive Director to seek appropriate salary enhancements for certain staff positions to establish parity with similar positions in other agencies. These efforts will be pursued in the next fiscal year and upcoming Legislative Session in 2017.

The Commission derives the majority of its funding from financial participation of Nevada's Local Governments (cities and counties). The remaining portion is provided from the State General Fund. The number of requests for opinion the Commission receives regarding public officers or public employees in the various jurisdictions in the prior two fiscal years forms the basis for each entity's proportional contribution. In the 2011-13 biennium (FY12 & FY13), the distribution of requests was 24% State and 76% local governments. In the 2013-15 biennium (FY14 & FY15), the agency's financial support was derived 31% from the State General Fund and 69% from local government contribution. In the current 2015-2017 biennium (FY16 & FY17) Fiscal Year 2013 and Fiscal Year 2014 caseloads form the basis for the distribution of resources based upon the information in the chart that follows:

FY 13 & FY 14 Basis for FY 16 - FY 17 State/Local share Total RFOs filed	STATE (State officer or employee was the subject)	LOCAL (Local government officer or employee was the subject)
176	36	140
	21%	79%

(See Appendix A – Commission’s Legislatively Approved 2015-2017 Biennial Budget)

Notably, the Commission's case load in FY15 and FY16 will see a change in funding to approximately 40% State General Fund and 60% local governments. The Commission will work with the Budget Office in the next biennium to evaluate its methodologies to ensure consistent funding splits for budget purposes. The methodologies should accurately reflect the work of the Commission attributable to State and local governments, including the overall jurisdiction of the Commission.

III. Legislative Matters

At the end of FY16, the Commission approved and submitted proposed legislative amendments for consideration and sponsorship by the Governor during the 2017 Legislative Session. The measures include efforts to streamline the Commission's investigatory and case management processes, adopt criteria regarding abuse of public positions and personal interests, address the applicability of the Ethics Law to independent contractors of governmental agencies, update the contracting prohibitions, clarify the applicability and discretion of cooling-off provisions and update filing requirements. Specifically, the Commission seeks to eliminate investigatory panels and provide for certain administrative decisions and less formal resolutions of minor violations, including letters of caution, deferred discipline with education, corrective action or censures/reprimands. The Commission also intends to confront conduct that does not comport with the public trust as an abuse of power. These proposals will be vetted and considered by the Nevada Legislature during the next fiscal year.

IV. Regulatory Matters

In 2014, the Commission adopted permanent regulations in the Nevada Administrative Code which were approved by the Legislative Commission on October 24, 2014. These regulations implemented various changes from the 2013 Legislation (S.B. 228) and provided for the Commission's appellate review of staff's jurisdictional determinations of Third-Party Requests for Opinion. Under the new regulatory procedures, the Requester may appeal staff's denial of jurisdiction and the Subject may appeal staff's acceptance of jurisdiction.

As a result of these regulatory changes, the Commission received 9 jurisdictional appeals of Third-Party RFOs in FY15 and 18 appeals in FY16. The extensive administrative work and delays generated by these appeals was not anticipated by the Commission in its adoption of this regulation and given a 2-year cycle to review the effects of this regulation, the Commission has determined it would be prudent to streamline the process for reviewing jurisdictional determinations.

Accordingly, the Commission has coordinated efforts to adopt a temporary regulation in the next fiscal year which will continue to provide the appropriate due process opportunities to appeal staff jurisdictional determinations to the Commission while streamlining the process and timeframe for accomplishing such appeals. The Commission will hold its public hearing to adopt these temporary regulations in FY17. Given the Commission's efforts to further streamline case processing and other matters via legislative amendments to statute, the Commission will determine whether it is appropriate for the temporary regulation to become permanent at the end of the 2017 Legislative Session.

V. Administrative Matters

Outreach and Education:

In FY16, the Commission continued its efforts to provide outreach and education to Nevada's public officers and employees and public attorneys. The Executive Director provided training sessions throughout Nevada, reaching hundreds of public officers, public employees and members of the public, with special invitations to the public attorneys. A notable trend regarding training during the last fiscal year focused on training for State and local government agency employees. Though the outreach has a regular focus on elected and appointed public officials, the breakdown of training shows a stronger effort during the last FY to reach public employees.

As we attempt to reach more public officers and employees throughout the State, the Commission's outreach efforts are expected to increase in the coming fiscal year. The Commission will make its trainings available on a regular basis through the State's training module and will cooperate with local governments to provide necessary outreach. Certainly, the Commission's efforts and resources are better spent with this proactive approach, and outreach will continue to serve as one of the Commission's primary goals.

Trainings Provided to:	Number of Ethics in Government Law Trainings Presented:
State Government Entities	12
Local Government Entities	10
Total	22

Offices:

The Commission operates a statewide office located in Carson City and houses the Commission's entire staff. The agency maintains a small non-public workspace in Las Vegas located in the Grant Sawyer State Office Building from which traveling staff may work, prepare meeting materials or meet with others while conducting investigations or otherwise working in southern Nevada.

Documents Filed:

Pursuant to NRS 281A.500, public officers filed 764 Acknowledgment of Ethical Standards forms with the Commission for calendar year 2015. The Commission received 888 forms for 2014, 1,075 for 2013, 423 for 2012, 667 for 2011 and 725 for 2010. Most public officers must file these forms at the beginning of a term of office, so the number of forms filed from year to year does not indicate a rise or fall in overall compliance. The number of Acknowledgements generally increases as the awareness of this requirement is implemented throughout the State and local jurisdictions.

NRS 281A.410 requires certain public officers to disclose their paid representation or counseling of private persons before a state agency of the Executive branch. The Commission received 6 disclosures of agency representation for 2015, 24 filings for 2014, 18 filings for 2013 and 12 filings for 2012. For 2011, 11 such disclosures were filed, and for 2010, the Commission received 14. Again, the Commission is unable to determine whether the change in the number of filings is indicative of compliance, as data is not available to determine how many representations took place.

Litigation:

The Commission had two Third-Party RFOs subject to litigation during the last 2 fiscal years, both of which were consolidated and continue into the current fiscal year. The Commission's proceedings are identified as: (1) In the Matter of the Third-Party Request for Opinion Concerning the Conduct of Public Officer Ira Hansen, Assemblyman, State of Nevada (RFO 14-21C); and (2) In the Matter of the Third-Party Request for Opinion Concerning the Conduct of Public Officer Jim Wheeler, Assemblyman, State of Nevada (RFO 14-22C). After the Commission's acceptance of jurisdiction of these matters, Subjects Hansen and Wheeler filed a joint Petition for Judicial Review and/or Petition and

Application for Writ of Certiorari, Review or Prohibition entitled “*Hansen and Wheeler v. Nevada Commission on Ethics*” in the First Judicial District Court of the State of Nevada in and for Carson City, Case No. 150C000761B, challenging subject matter jurisdiction. The Subjects asserted protection from the Commission’s jurisdiction based upon certain principles of legislative privilege and immunity. The Commission objected to these assertions on the basis that they are premature and the Commission must have an opportunity to investigate the facts and determine whether the alleged conduct constitutes legislative acts subject to the privileged immunity. The District Court granted the petition for judicial review in favor of the Subjects, holding that the Commission did not abuse its discretion or act unreasonably or arbitrarily, but the Commission nevertheless did not have jurisdiction to investigate the matters based on the application of a new law that was enacted by the Legislature during the 2015 Legislative Session. The Commission filed a Notice of Appeal of the District Court decision in the Nevada Supreme Court, and the matters are currently pending resolution in the Nevada Supreme Court Case No. 69100.

In response to the Commission’s appeal of the District Court decision, the Assemblymen filed new complaints against the Commission in the First Judicial District Court along with a related motion in the pending appeal before the Nevada Supreme Court alleging that the Commission violated various provisions of Nevada’s Open Meeting Law. The complaints and motion challenge the Commission’s process for appealing the decision and assert that the Commission did not provide appropriate notice to the Assemblymen that the Commission would evaluate their character or competence by appealing the District Court’s decision on the petition for judicial review. The Commission is opposing all allegations and is defending these claims before the First Judicial District Court of the State of Nevada in and for Carson City, Case Nos. 15OC002611B and 16OC000291B, and the Nevada Supreme Court Case No: 69100. The two open meeting law cases are consolidated and stayed pending resolution of the motion in the Nevada Supreme Court.

Nevada Certified Public Manager Program Participation:

During FY16, the Commission’s Executive Director, with the support of the Commission, applied for and was selected to participate in the Nevada Certified Public

Manager Program (CPM Program), a state-sponsored, nationally recognized and nationally accredited leadership and management development program designed for public administrators to develop management theory and techniques in public service. After nearly 2 years of devoted study in various management and professional development courses, the CPM Program culminates in a Capstone Quality Improvement Project that must involve an agency-related project developed and implemented by each of the participants with a focus on improving agency efficiency and effectiveness related to its mission and result in a high organizational impact and a realized cost savings to the State.

The Executive Director's Capstone Project includes streamlining and improving the Commission's investigatory and case management processes. Included within this scope of this project are the pending regulatory efforts, technology modernization and internal controls to improve staff and Commission efficiencies. Although legislative changes may occur outside the timeframe of the project, they are consistent with this Project and if enacted, will further the Executive Director's initiatives. The Capstone Project will be submitted in the next fiscal year with an anticipated graduation date in February 2017.

The pending success of the Executive Director and the Capstone Project in this Program will mark the Commission's second representative of the CPM Program. The Commission's Executive Assistant, Valerie Carter, CPM, graduated from the program last fiscal year and successfully established a system of efficiencies to limit Commission meetings, saving travel costs and limiting case backlogs.

COMMISSION ON ETHICS

PROGRAM DESCRIPTION

The Nevada Commission on Ethics' mission is to enhance the faith and confidence of Nevadans in the integrity and impartiality of government, specifically state and local public officers and employees. The eight-member commission is tasked with numerous responsibilities, but its six-person staff focuses on four main functions: 1) interpreting and applying NRS Chapter 281A - the Ethics in Government Laws - and guiding public officers and employees on its provisions; 2) investigating and adjudicating public complaints alleging ethics violations by public officers and employees; 3) outreach and education to public officers and employees to enhance their awareness of ethics requirements and prohibitions under Nevada law; and 4) accepting and monitoring various filings required of certain public officers.
