Chair Wallin introduced the item and noted that Vice-Chair Duffrin would be acting as presiding officer for this matter.

Vice-Chair Duffrin asked if any Commissioners needed to make a disclosure on this item. Commissioner Yen disclosed and abstained from participating in this matter because the Subject is a client of McDonald Carano, the firm Commissioner Yen is a partner with, and to which she has both a pecuniary interest in her employment and a private commitment to the firm, as her employer, and its clients under NRS 281A.065(4) and NRS 281A.065(5). The independent judgment of a reasonable person in Commissioner Yen's situation could be materially affected in voting upon matters related to this case.

Vice-Chair Duffrin stated for the record that proper notice had been provided and waivers were received regarding this item. He confirmed that the Review Panel in this matter consisted of Chair Wallin, and Commissioners Towler and Sheets and pursuant to NRS 281A.220(4) those members would be precluded from participating in this item. Associate Counsel Elizabeth J. Bassett, Esq. appeared on behalf of Executive Director Armstrong before the Commission in this matter and Adam Hosmer-Henner, Esq. appeared on behalf of Mr. Rodriguez, who was also in attendance.

Vice-Chair Duffrin outlined the dispositive motion hearing order to be as follows:

1. Associate Counsel present argument on the Executive Director's Motion for Summary Judgment
2. Counsel Hosmer-Henner present argument on Mr. Rodriguez's Response to the Executive Director's Motion for Summary Judgment and Mr. Rodriguez's Motion for Summary Judgment
3. Associate Counsel present argument on the Executive Director's Reply in Support of his Motion and on the Executive Director's Opposition to Mr. Rodriguez's Motion for Summary Judgment
4. Counsel Hosmer-Henner present argument on Mr. Rodriguez's Reply in Support of his Motion for Summary Judgment

She argued that the Executive Director determined that four (4) alleged violations of the Ethics Law, specifically two violations each of NRS 281A.400(2) and NRS 281A.400(7), were properly brought before the Commission and judgment should be granted by the Commission as the pleadings and evidence demonstrate that no genuine issues of material fact exist in regard to those violations. Associate Counsel Bassett stated that should the Commission grant the Executive Director's motion and determine that the violations were willful, the Executive Director requests that the Commission impose upon Mr. Rodriguez a civil penalty of \$1,250 for each violation, for a total civil penalty in the amount of \$5,000.

On behalf of Mr. Rodriguez, Counsel Adam Hosmer-Henner, Esq. presented his client's Response to the Executive Director's Motion for Summary Judgment and argued the merits of his client's Motion for Summary Judgment before the Commission requesting Summary Judgment be granted by the Commission on the following alleged violations of Ethics Law provisions, NRS 281A.400(2) and NRS 281A.400(7).

Commissioner Oscarson stated he would like to hear further testimony in an adjudicatory hearing.

Vice-Chair Duffrin acknowledged that he had been leaning towards granting Summary Judgment to the Executive Director, but after the presentations and discussion, he would like to proceed with an adjudicatory hearing.

Vice-Chair Duffrin stated that the Commission had reviewed the entire record for this matter and had considered the pending motions and arguments of counsel. Vice-Chair Duffrin made a motion to deny both parties' Motions for Summary Judgment because there are issues of fact in dispute, and it would benefit the Commission to hear the testimony of witnesses and to review all evidence to make its decision. Included in his motion, Vice-Chair Duffrin further directed counsel for the Commission to prepare an order in coordination with the Vice-Chair to reflect the determination of the Commission. Commissioner Gruenewald seconded the motion. The Motion was put to a vote and carried as follows:

Chair Wallin:	Abstain pursuant to NRS 281A.220.
Vice-Chair Duffrin:	Aye.
Commissioner Gruenewald:	Aye.

 - The Commission may receive information or evidence concerning this matter and deliberate in a closed session pursuant to NRS 281A.760.
 - The Commission will take action on the item in an open session.

Vice-Chair Duffrin introduced the item and asked if any Commissioners needed to make a disclosure on this item. Commissioner Yen disclosed and abstained from participating in this matter because the Subject is a client of McDonald Carano, the firm Commissioner Yen is a partner with, and to which she has both a pecuniary interest in her employment and a private commitment to the firm, as her employer, and its clients under NRS 281A.065(4) and NRS 281A.065(5). The independent judgment of a reasonable person in Commissioner Yen's situation could be materially affected in voting upon matters related to this case.

Vice-Chair Duffrin stated for the record that proper notice had been provided and waivers were received regarding this item. He confirmed that the Review Panel in this matter consisted of Chair Wallin, and Commissioners Towler and Sheets and pursuant to NRS 281A.220(4) those members would be precluded from participating in this item. Vice-Chair Duffrin noted Commissioner Yen had abstained and all other Commissioners could participate in this matter.

Vice-Chair Duffrin asked the parties to identify themselves, their clients, and any witnesses present before the Commission to be sworn in for the record.

Appearing on behalf of the Executive Director Armstrong was Associate Counsel Elizabeth J. Bassett, Esq. Associate Counsel Bassett identified Subject Rodriguez as the only witness she would be calling during the proceedings.

Appearing before the Commission in this matter was Subject Joseph Rodriguez, Trustee, Washoe County School District, Lieutenant, State Fire Marshall Division and his counsel, Adam Hosmer-Henner, Esq., of McDonald Carano, LLP. Counsel Hosmer-Henner confirmed that Trustee Rodriguez would be the only witness he would call during the proceedings.

Vice-Chair Duffrin confirmed that the exhibit books had been provided to the Commissioners and were also available to the public at the meeting. He stated that as Presiding Officer over the matter, he had issued certain rulings the previous day relating to evidence in the case: one oral and written order to deny Trustee Rodriguez's Motion *in Limine*; and one oral and written order to grant the Executive Director's Motion *in Limine*.

Vice-Chair Duffrin reiterated that the evidence books were provided to the Commission and asked the parties to stipulate on the record as to certain facts and the admissibility of certain documentary evidence.

Associate Counsel Bassett read 7 undisputed facts into the record. She confirmed which exhibits within the exhibit book were stipulated to by both parties, specifically Exhibits numbered 2, 3, 4, 5, 7 and 8. Counsel Hosmer-Henner confirmed the stipulated facts and exhibits offered by Associate Counsel Bassett.

Subject Rodriguez was sworn in by the court reporter.

Vice-Chair Duffrin asked each party to limit opening statements to 15 minutes as the case had been considered under the previous agenda item. He noted the need for due process for both sides and encouraged the parties to be succinct and concise in their arguments.

Counsel Hosmer-Henner stated since they just went over the arguments and addressed the issues during Agenda Item 5, he was happy to waive opening statements and move to closing statements.

Associate Counsel Bassett stated that in the event the case was appealed, she needed her arguments on the record and a separate record from the Summary Judgment Motions item as those motions were denied.

Vice-Chair Duffrin provided that procedurally the Adjudicatory Hearing item, Agenda Item 6, required its own complete record separate from Agenda Item 5. He asked for brief opening statements from the parties, starting with Associate Counsel Bassett.

Counsel Hosmer-Henner stated he would stipulate to incorporating statements made in Item 5 into the opening of Item 6. Associate Counsel Bassett was amenable to the stipulation but requested an opportunity to make a brief opening statement for the record.

Associate Counsel Bassett provided her opening statement which included a brief overview of the case and the preponderance of evidence that Mr. Rodriguez violated the provisions of the Ethics Law under NRS 281A.400(2) and (7).

Counsel Hosmer-Henner began by incorporating prior arguments he made with respect to Trustee Rodriguez's Summary Judgment Motion under the prior item into his opening statement. He outlined the 2 facts he intended to prove to the Commission during the proceedings.

Counsel Bassett questioned the witness, Subject Rodriguez, and Counsel Hosmer-Henner cross-examined Mr. Rodriguez.

During the cross-examination, the parties stipulated to the admission of exhibit book pages JEB0050 through JEB0060 into the record.

Counsel Bassett questioned the witness, Subject Rodriguez, during redirect examination.

Counsel Hosmer-Henner declined to further examine of the witness, Subject Rodriguez, due to the stipulation that arguments presented under Item 5 were incorporated into Item 6. He stated his desire to reserve the opportunity to provide comment upon closure of the Executive Director's case-in-chief.

Vice-Chair Duffrin asked Associate Counsel Bassett if she was closing the case and she replied in the affirmative.

Commissioners Gruenewald and Oscarson and Vice-Chair Duffrin questioned the witness, Subject Rodriguez.

Vice-Chair Duffrin asked each party to limit closing statements to 15 minutes.

Associate Counsel Bassett presented a closing statement on behalf of the Executive Director to the Commission.

Counsel Hosmer-Henner then presented closing remarks on behalf of Trustee Rodriguez to the Commission.

Vice-Chair Duffrin called the meeting back into open session at 1:42 p.m.

Commissioner Gruenewald moved that the Commission find that Mr. Rodriguez committed two violations of NRS 281A.400(2) and two violations of NRS 281A.400(7), which violations were willful and that a fine of \$250 per violation, for a total of \$1,000 be imposed. Commissioner Gruenewald further moved for a reprimand and a requirement that Mr. Rodriguez attend and complete ethics training, selected by the Executive Director within 60 days of the written decision being issued. Commissioner Gruenewald's motion further directed Commission Counsel to prepare a final written Opinion, based upon the record and circumstances, stating each violation alleged against Mr. Rodriguez and the determinations of the Commission relating thereto, and including consideration of applicable law, findings of fact, and conclusions of law, and any penalty, corrective action, or other remedy imposed on Mr. Rodriguez. Agenda Item 5

STATE OF NEVADA

BEFORE THE NEVADA COMMISSION ON ETHICS

In re **Leonardo Blundo**, Member,
Board of County Commissioners,
Nye County, State of Nevada,

Ethics Complaint
Case Nos. 20-081C and
20-085C

Subject. /

**PROPOSED
STIPULATED AGREEMENT**

1. **PURPOSE:** This Stipulated Agreement ("Agreement") resolves consolidated Case Nos. 20-081C and 20-085C, pending before the Nevada Commission on Ethics ("Commission") concerning Leonardo Blundo ("Blundo"), Former Member, Board of County Commissioners, Nye County, State of Nevada.
2. **JURISDICTION:** At all material times, Blundo served as a County Commissioner for Nye County, State of Nevada and was a public officer as defined in NRS 281A.160. The Ethics in Government Law ("Ethics Law") set forth in NRS Chapter 281A gives the Commission jurisdiction over elected and appointed public officers and public employees whose conduct is alleged to have violated the provisions of NRS Chapter 281A. See NRS 281A.280. Accordingly, the Commission has jurisdiction over Blundo in these matters.
3. **PROCEDURAL HISTORY BEFORE COMMISSION:**
 - a. On or about November 11, 2020 and November 20, 2020, the Commission received Ethics Case Nos. 20-081C and 20-085C, respectively, alleging that Blundo violated NRS 281A.400(1), (2), (7) and (9) and NRS 281A.420(3).
 - b. On December 28, 2020, the Commission issued two separate *Orders on Jurisdiction and Investigation* accepting jurisdiction in both cases and directing the Executive Director to investigate the allegations and Blundo's alleged violations of NRS 281A.400(1), (2), (7), (9) and NRS 281A.420(1) and (3). The Commission also issued an *Order on Consolidation* on the same date, which consolidated the investigation and all future proceedings in both cases.

c. On December 28, 2020, staff of the Commission issued a *Notice of Complaint and Investigation* under NRS 281A.720 relating to the consolidated cases.

d. On or about March 3, 2021, Blundo, through his counsel, submitted a consolidated written response to the Complaints.

e. On or about February 16, 2022, a three-member Review Panel determined the facts established credible evidence to support just and sufficient cause for the Commission to render an opinion in the consolidated cases regarding alleged violations of NRS 281A.400(2), (7) and (9) and 281A.420(1) and (3) and referred these alleged violations to the Commission for further proceedings. The Review Panel found that the facts did not establish credible evidence to support just and sufficient cause for the Commission to render an opinion regarding alleged violations of NRS 281A.400(1) and dismissed that alleged violation.

f. The parties each filed Motions for Summary Judgment as to the alleged violations, which were heard by the Commission at its March 15, 2023 meeting. The Commission granted summary judgment in favor of the Executive Director and against Blundo, finding one violation of NRS 281A.420(1) and one violation of NRS 281A.420(3).

g. In lieu of further adjudicatory proceedings and in resolution of the combined cases, Blundo and the Commission now enter into this Agreement.

4. STIPULATED FACTS:

a. At all relevant times, Blundo was a Nye County Commissioner representing District 4 of the Nye County Board of County Commissioners ("Board") and was a public officer under NRS 281A.160.

b. In his private capacity, Blundo owns and operates Carmelo's Bistro, a restaurant located in Pahrump, Nevada, and is the sole owner of The Hole in the Wall Group LLC, a Nevada limited liability corporation.

c. The federal Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was enacted to provide financial aid to offset the negative economic effect of the COVID-19 virus on the economy. CARES Act funds were allocated to the State of Nevada to be distributed to counties and incorporated cities in the State. Nye County was allocated \$8,469,000 in CARES Act funding.

d. At its regularly scheduled meeting on July 21, 2020, the Board, including Blundo, considered and approved an agenda item regarding allocating the CARES funds. The Board established the process to be used by the public to apply for relief under the CARES Policy and set the maximum amount of funds any business could apply for under the Nye County Small Business Working Capital Program at \$15,000.

e. All CARES applications were vetted through an internal approval process, overseen by the Nye County Manager and Comptroller, taking the entire process out of the hands of the Board of County Commissioners. Applications in accordance with the CARES Policy underwent an initial review by an outside company, Nevada Development Corporation, utilizing a point system based upon the approved CARES Policy's criteria. Thereafter, the grants team would prepare a subgrant agreement and route it through for approvals. The funds directed to Nye County needed to be exhausted or else they would return to the State or federal government.

f. On September 9, 2020, Blundo applied for relief under the CARES Policy for The Hole in the Wall Group LLC dba Carmelo's Bistro through the Nye County Small Business Working Capital Program.

g. According to testimony elicited during discovery, Nye County's person most knowledgeable on the issue admitted that Blundo's status as a County Commissioner had no bearing on whether Carmelo's Bistro's application would be granted or denied and that his application was granted in accordance with the approved CARES Policy and because of the merits of the application. Further the aforementioned individual, admitted that Carmelo's Bistro is the type of business that the CARES Policy was meant to assist and that its application was granted because restaurants were one of the types of businesses that qualified under the CARES Policy.

h. At its November 10, 2020 meeting, the Board considered another agenda item amending the policy for the Nye County Small Business Working Capital Program. During the discussion of this agenda item, Blundo made the following disclosure:

I have to make a disclosure. You know I hold a Nye County privileged liquor license and am utilizing the programs that we are setting policy for. I don't have a direct pecuniary interest in this policy but I do have a business that has been operating for 14 years and believe my experience is valuable in participating in this so I will be participating.

Blundo then made a motion to amend the limits of the Small Business Working Capital Program to \$50,000, which motion was unanimously adopted.

i. The Hole in the Wall Group LLC dba Carmelo's Bistro was ultimately approved for funds under the Small Business Working Capital Program and received the full amount of \$50,000 of CARES funds under the program. The amount Blundo received for the Hole in the Wall Group LLC dba Carmelo's Bistro was not more than similarly situated business.

j. Blundo has previously received Letters of Instruction regarding the Ethics Law and received a non-willful violation in *In re Blundo*, Comm'n Op. Nos. 19-026C and 19-027C.

5. TERMS / CONCLUSIONS OF LAW: Based on the foregoing, Blundo and the Commission agree as follows:

a. Each of the stipulated facts enumerated in Section 4 of this Agreement is agreed to by the parties.

b. Allegations that Blundo violated NRS 281A.400(2), (7) and (9) are hereby dismissed by stipulation of the parties.

c. Based upon the consideration and application of the statutory factors set forth in NRS 281A.775, Blundo agrees that pursuant to NRS 281A.170 one willful violation will be imposed for his violation of NRS 281A.420(1) based on his conduct in failing to sufficiently disclose his interest in the November 10, 2020 agenda item increasing the limits for funding under the Small Business Working Capital Program. In addition, Blundo agrees that one non willful violation will be imposed for his violation of NRS 281A.420(3) because he proceeded to participate in the November 10, 2020 agenda item following his insufficient disclosure. Had Blundo made a sufficient disclosure, he may have been able to participate in the November 10, 2020 agenda item.

d. The Commission concludes these findings are appropriate because Blundo attempted to make a disclosure prior to discussing and voting on the motion to increase funding limits under the Small Business Working Capital Program, but his disclosure was not sufficient to comply with the requirements of NRS 281A.420(1).

e. For his willful violation of NRS 281A.420(1), Blundo agrees to pay the sum of \$4,500.00 pursuant to NRS 281A.790(1)(a). To satisfy this penalty, Blundo will make

installment payments of \$750 per month for the six months following the approval of this Agreement.

f. Blundo will be in default in making his required payments under this Agreement, and the Commission may pursue any legal remedy available for collection of the amounts due, if any installment payment is missed. If Blundo fails to make a required installment payment, Blundo will be provided ninety (90) days to pay all amounts due in a lump sum. If all amounts due are not paid by the ninety (90) day deadline, Blundo will be in default of this Agreement. If an adjustment to the payment is necessary, the Executive Director may establish a new schedule with notice to the Commission.

g. Pursuant to its authority under NRS 281A.785(1)(b) the Commission hereby issues a reprimand of Blundo for his conduct related to his violation of the Nevada Ethics Law in this matter.

h. This Agreement depends on and applies only to the specific facts, circumstances and law related to the Ethics Cases now before the Commission. Any facts or circumstances that may come to light after its entry that are in addition to or differ from those contained herein may create a different resolution of these matters.

i. ETHICS COMPLAINT

[Sec. 3.6 to 13, nc.us vs. of S.B. 84 \(2017\)](#)

1. Provide the following information for the public officer or employee you allege violated the Nevada Ethics in Government Law, NRS Chapter 281A. *(If you allege that more than one public officer or employee has violated the law, use a separate form for each individual.)*

Name: (Last First)	Blundo, Leo		Title of Public Office: (Position)	Commissioner
Public Entity: (Name of the entity employing this position)	Board of County Commissioners			
Address:	2100 E. Walt Williams Dr., Ste. 100		City, State, Zip Code:	Pahrump, NV 89048
Telephone:	<u>Work:</u> 775-751-7050	<u>Other (home/cell):</u>	Email:	lfblundo@co.nye.nv.us

2. Describe in specific detail the public officer's or employee's conduct that you allege violated NRS Chapter 282A. *(Include specific facts and circumstances to support your allegation: times, places, and the name and position of each person involved.)*

Nye County received approximately eight and a half million dollars in federal CARES dollars to prevent and mitigate the effects of COVID within the county. The Nye County Board of Commissioners was tasked with creating a program to distribute CARES funds to needy individuals and organizations. The Board ultimately voted to create various programs including a working capital grant program for small businesses. Mr. Blundo is a commissioner and also the owner of a small business within Nye County. Mr. Blundo disclosed his intent to apply for the working capital grant program, yet he actively participated in setting monetary limits and other criteria for the very program he intended to benefit from in his personal/business capacity. Mr. Blundo applied for and was ultimately awarded \$15,000 for his personal business. On November 10, 2020, the Board was updated on the status of the CARES grant program and informed that additional funds were available due to the program having fewer applicants than anticipated. At the beginning of the discussion, Mr. Blundo stated that he did not have a pecuniary interest in the item although he had been awarded funds under the program. Mr. Blundo proposed increasing the monetary amounts to a maximum of \$50,000 for those that had already applied, but failed to

disclose that he had been awarded funds and that his personal business would now see an additional \$35,000 as a result of this action. The Board, including Mr. Blundo, voted to approve the increased amounts. Mr. Blundo failing to disclose his pecuniary interest and abstain from voting was a violation of NRS 281A.

3. Is the alleged conduct the subject of any action or matter currently pending before another administrative or judicial body? If yes, describe:

Subject is a public officer as defined in NRS 281A.160, and the Commission has jurisdiction over this matter pursuant to NRS 281A.280 because the allegations contained in the Complaints relate to Subject's conduct as a public officer and have associated implications under the Ethics Law.

On February 16, 2022, a Review Panel consisting of Vice-Chair Brian Duffrin (Presiding Officer) and Commissioners Barbara Gruenewald, Esq. and Damian Sheets, Esq. considered the following: (1) Ethics Complaints (2) Orders on Jurisdiction and Investigation; (3) Order on Consolidation; (4) Subject's Consolidated Response to the Complaint; (4) Executive Director's Recommendation to the Review Panel with Summary of Investigatory Findings and (5) Relevant Evidentiary Exhibits.¹

Therefore, this allegation is dismissed.

The Review Panel unanimously finds and concludes that the facts establish credible evidence to support a determination that just and sufficient cause exists for the Commission to render an opinion in the matter regarding the alleged violations of NRS 281A.400(2), (7) and (9) and 281A.420(1) and (3).

Employee of the Nevada Commission on Ethics

Agenda Item 6

Proposed Letter in Opposition

Dear Chair Flores and members of the Senate Government Affairs Committee:

The Nevada Commission on Ethics submits this written testimony in respectful opposition to Senate Bill 431. During the 56th Session of the Nevada Legislature in 1971, the Legislature passed Assembly Concurrent Resolution No. 39 directing the Legislative Commission to make a study of “the important problem of conflicts of interest in all levels of government...” In 1972 the Legislative Commission published Bulletin No. 107 with the results of its study. Among other things, the subcommittee wrote

*Recognizing that **a detached perspective is sometimes necessary to objectively assess the proper course of action in a given situation**, the Subcommittee for Study of Conflicts of Interest in Government recommends the creation of a bipartisan State Ethics Commission to be composed of five members from throughout the State who are not involved with the state or its subdivisions as officers, employees, or contractors. All members are to be appointed from the public at large, **but each member is to be appointed by a different appointing authority, so that the commission cannot be unduly influenced by a single source.*** (emphasis added)

It was Bulletin No. 107 that laid the foundation for the Ethics Commission we have in Nevada today. A core element of our Ethics Commission is that it is independent from pressure or influence from any one branch of government or agency. The Commission has adopted ten Guiding Principles for our agency which includes principle number four “Our objectivity, independence, and impartiality are beyond reproach. We avoid all personal and professional circumstances or conflicts calling these into question.”

Our opposition to SB 431 is focused on those provisions which appear to strip the Commission of its independence and place the Commission within a chain of command under the Governor. Specifically, Section 3(2)(g) removes the Commission from its current independent status and places the Commission under a Secretary of Commerce and Administration who is granted “administrative oversight over and responsibility for...the Commission on Ethics.” Further, Section 7 of the bill provides said Secretary with veto power over any regulations promulgated by the Commission and grants the Secretary authority to create any Ethics Regulations he or she deems proper regardless of what the Ethics Commission believe is appropriate.

Finally, Section 20 places the Ethics Commission under the “purview” of a newly created Office within the Department of Business of Industry called The Office of Nevada Boards, Commissions and Councils Standards. It is unclear to what extent “purview” means oversight and supervision by the Department of Business and Industry.

Section 3, 7, and 10 when read together or separate strip the Ethics Commission of the independence which has been viewed as essential since 1972. With our current independence, the Commission is able to assist any public official with an Advisory Opinion and review any Complaint against public officials from the newest part time entry-level public servant up to and including the Governor. The language of SB 431 would create great doubts about the Commission’s ability to independently and impartially process cases involving the Department of Business of Industry, the new Secretary of Commerce and Administration, the Chief of Staff, and the Governor.

Our recommended changes to SB431 include

- Removing the Commission on Ethics from Section 3(2)(g) of the bill
- Inserting a Section 3(6) designating the Secretary of Commerce and Administration as “the liaison between the Office of the Governor and the Nevada Commission on Ethics”
- Removing the Commission on Ethics from Section 20 of the bill

We thank you for taking the time to hear our concerns with SB 431 and encourage you to keep the importance of the Ethics Commission’s independence in mind while processing any changes to the bill.

If you have any questions about this opposition to SB 431, please contact the Commission’s Executive Director at rarmstrong@ethics.nv.gov

Signed,

Members of the Commission

(NRS 353.224) **Section 82** of this bill eliminates the requirement for the approval of such changes by the Interim Finance Committee.

Under existing law, the powers and duties of the Chief of the Budget Division of the Office of Finance in the Office of the Governor include examining and approving work programs and allotments to the agencies of the Executive Department of the State Government. (NRS 353.185) Existing law requires that requests for revisions of work programs be approved or disapproved in writing by the Governor or the Chief, if the Governor has delegated, in writing, this authority to the Chief. (NRS 353.220) **Section 109** of this bill makes these provisions conforming.

Under the State Budget Act, a department, institution or agency of the Executive Department of State Government is required to obtain approval from the Interim Finance Committee, except in certain limited circumstances, before revising a work program in an amount more than \$30,000 if the revision will increase or decrease by 10 percent or \$75,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program. (NRS 353.220) **Section 110** of this bill increases the monetary threshold to an amount of more than \$100,000 if the revision will increase by 25 percent or \$500,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program.

Under existing law, the Economic Forum, which is a panel of economic and financial experts appointed by the Governor, the Majority Floor Leader of the Senate and the Speaker of the Assembly, is required to provide revenue estimates and projections to the Governor and the Legislature. (NRS 353.226, 353.228) **Section 111** of this bill requires the Economic Forum to provide an estimate for certain required reserves in the Account to Stabilize the Operation of the State Government and the Education Stabilization Account and provide a biennial report to the Governor and the Legislature on those estimates.

Under existing law, the Account to Stabilize the Operation of the State Government, also known as the Rainy Day Fund, is an account created in the State General Fund into which surplus state revenues are deposited to be used in case of fiscal emergencies. Under existing law, the State Controller is required to transfer from the State General Fund to the Account to Stabilize the Operation of the State Government at the beginning of each fiscal year 40 percent of the unrestricted balance of the State General Fund, as of the close of the previous fiscal year, which remains after subtracting an amount equal to 7 percent of all appropriations made from the State General Fund during that previous fiscal year for the operation of all departments, institutions and agencies of State Government and for the funding of schools. (NRS 353.288) **Section 113** of this bill revises the amount of this required transfer to the Account to Stabilize the Operation of the State Government based on the amount of the budget surplus. **Section 113** also requires that a portion of that budget surplus, in certain circumstances, be transferred to the Nevada Way Account, which is created in **section 107** of this bill. **Section 107** provides a

procedure for awards of money from the Nevada Way Account for certain purposes, including, without limitation, efforts relating to economic development or diversification and opportunities to leverage the tax revenues of the State.

Section 108 of this bill provides that the Nevada Legislature pledges not to require a state agency to reduce its appropriations under certain circumstances.

Existing law authorizes a state agency, with certain exceptions, to accept a gift or grant of property or services that is not included in an act of the Legislature authorizing the expenditure of nonappropriated money if the gift or grant is approved by the Governor or the Interim Finance Committee, as applicable. One of the exceptions from the requirement for such approval is the acceptance by a state agency of a gift or grant from a private source that does not exceed \$20,000 in value. (NRS 353.335) **Section 114** of this bill increases the threshold for this exception from such approval to \$100,000. **Section 114** also exempts from any approval a gift or grant to a state agency that will be deposited in a budget account that consists of money which is not appropriated by or authorized for expenditure by the Legislature.

Existing law creates the Advisory Council on Science, Technology, Engineering and Mathematics within the Office of the Science, Innovation and Technology that is established in the Office of the Governor. (NRS 223.600, 226.640) The Advisory Council is required to develop certain plans, conduct certain surveys, apply for certain grants and prepare certain reports relating to the fields of science, technology, engineering and mathematics. (NRS 223.650) **Section 146** of this bill eliminates the Advisory Council. **Sections 10, 117 and 128** of this bill make conforming changes to eliminate references to the Advisory Council in the Nevada Revised Statutes.

Existing law requires the Department of Education to create the Competency-Based Education Network which has various duties relating to competency-based education, including to: (1) study certain educational approaches, tools, strategies and professional development; (2) identify barriers and possible solutions to implementing a statewide system of competency-based education; (3) develop evidence-based recommendations for the continued implementation of a system of competency-based education; and (4) submit a biennial report to the Governor and Legislature on the implementation of a system of competency-based education in this State. (NRS 389.220) **Section 146** eliminates the Network. **Section 118** of this bill makes a conforming change to eliminate a requirement that the State Board of Education adopt regulations relating to participation in the Network.

Under existing law, a state of emergency or a declaration of disaster may be proclaimed by the Governor or by resolution of the Legislature if the Governor or Legislature, as applicable, finds that: (1) an attack upon the United States has occurred or is anticipated in the immediate future, or any natural, technological or man-made emergency or disaster of major proportions has actually occurred within this State; and (2) the protection of the health, safety and welfare of the inhabitants of this State requires an invocation of certain additional government powers. During the period when such a state of emergency or declaration of disaster exists or continues, the Governor is given certain additional governmental powers and has the authority to perform and exercise such other functions, powers and duties as are necessary to promote and secure the safety and protection of the civilian population. (NRS 414.070) Existing law does not set forth a limit on the length of time during a which a state of emergency or a declaration of disaster may be proclaimed by the Governor or by resolution of the Legislature. **Section 122** of this bill provides that any emergency or disaster proclaimed by the Governor terminates 90 days after the date on which the Governor issues the proclamation unless before such date: (1) the Governor issues a subsequent proclamation that the terminates the emergency or disaster earlier; or (2) the Legislature passes a resolution approving the continuation of the emergency or disaster beyond 90 days.

Section 122 further provides that any emergency or disaster proclaimed by the Legislature terminates upon the passage by the Legislature of a resolution terminating the emergency or disaster. **Section 129** of this bill makes a conforming change to account for the termination of an emergency or disaster pursuant to the provisions of **section 122**.

Existing law requires, within the limits of available money, the Division of Public and Behavioral Health of the Department of Health and Human Services to establish the Advisory Council on the State Program for Wellness and the Prevention of Chronic Disease to advise and make recommendations to the Division concerning the State Program for Wellness and the Prevention of Chronic Disease. (NRS 439.518) **Section 124** of this bill eliminates the authority for the Advisory Council to appoint an advisory group to study the delivery of health care through patient-centered medical homes. (NRS 439.519)

Existing law authorizes the Nevada System of Higher Education to establish a Committee on Anatomical Dissection. The Committee is required, under certain circumstances, to have meetings, adopt regulations, be notified of certain unclaimed dead bodies and take, receive and distribute certain dead bodies to schools, teaching hospitals and certain other persons or entities. (NRS 451.350-451.470) **Section 146** eliminates the Committee and the provisions of the Nevada Revised Statutes relating to the Committee. **Sections 125-127** of this bill make conforming changes to eliminate internal references to the sections of the Nevada Revised Statutes relating to the Committee.

Existing law creates the Advisory Committee to the Juvenile Justice Oversight Commission to make recommendations concerning any duties assigned to the Commission. (NRS 62B.605) **Section 146** eliminates the Advisory Committee and a corresponding definition of the term "Committee."

Existing law creates the Commission to Review the Compensation of Constitutional Officers, Legislators, Supreme Court Justices, Judges of the Court of Appeals, District Judges and Elected County Officers and sets forth the duties of the Commission which include, without limitation, determining the minimum salary required to attract and retain experienced and competent persons in such offices. (NRS 281.157-281.1575) **Section 146** eliminates the Commission and the provisions of the Nevada Revised Statutes relating to the Commission.

16 but the establishment of the pay plan in no way limits the authority

17 of the Legislature relative to budgeted appropriations for salary and

18 wage expenditures.

19 2. Credit for overtime work directed or approved by the head

20 of an agency or the representative of the head of the agency must be

21 earned at the rate of time and one-half, except for those employees

44 of 53 hours average at a rate which will result in the equivalent of

45 overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.

6. For employees who choose and are approved for a variable workday, overtime will be considered only after working 40 hours in 1 week.

10. All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. 11. The Division shall prepare and submit quarterly to the Budget Division of the Office of Finance a report regarding all overtime worked by employees of the Executive Department in the quarter. The Budget Division shall:

(a) Review the report and analyze the overtime reported; and

(b) Transmit quarterly to the State Board of Examiners the report and the analysis of the Budget Division regarding the report.

12. A state employee is entitled to his or her normal rate of pay for working on a legal holiday unless the employee is entitled to payment for overtime pursuant to this section and the regulations adopted pursuant thereto.
